- NO scrap metals & wood
- NO needles
- NO batteries
- NO clothing & sheets
- NO pressurized tanks
- NO cassette & VHS tapes
- NO hazardous materials
- NO trash

RUMPKE

About Licking County Recycling

Licking County Recycling is a government agency responsible for promoting and encouraging recycling to the 170,000+ residents, businesses, and industries of Licking County.

We are financially supported by the CFLP Solid Waste District (Coshocton, Fairfield, Licking, and Perry) and the Licking County Commissioners. Funding for our solid waste district comes from waste disposal and generation fees paid by waste haulers when using landfills. That money is then distributed to counties for recycling education and outreach.

Call us or find us online for more information on services we provide!

740-670-5125  www.LickingCounty.gov/RLC

- Manage public recycling drop off sites throughout county.
- Provide educational programs, displays, and giveaways to schools, groups, or events.
- Maintain social media, website, and newsletter.
- Loan free recycling bins (frames and bags) to businesses and groups for events.
- Provide materials and support for roadside and park cleanups.
- Conduct special recycling or collection events.
