

RECORD OF RESOLUTIONS

Resolution No. _____

Passed _____

RESOLUTION NO 22-02

A RESOLUTION IN SUPPORT OF THE UPDATE OF THE COSHOCTON FAIRFIELD LICKING PERRY SOLID WASTE DISTRICT MANAGEMENT PLAN

WHEREAS: The Policy Committee resolved to approve the updated solid waste management plan on February 25, 2022, and,

WHEREAS: It is our best judgment that the update will benefit the solid waste district by implementing additional waste reduction programs, and,

WHEREAS: Public hearings were held in all four counties of the district to provide public input to this update and the Policy Committee considered this input,

NOW, THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE VILLAGE OF HEBRON, COUNTY OF LICKING, STATE OF OHIO, AND A MAJORITY OF THE MEMBERS ELECTED THERETO CONCURRING THAT:

Section I: The Village of Hebron, Ohio, as a participant in the Coshocton Fairfield Licking Perry Solid Waste District, does hereby note its support for the Solid Waste Management Plan Update Summary 2022 attached hereto and incorporated herein as "Exhibit A", is hereby approved.

Section II: The updated solid waste management plan as presented to this council shall be ratified for submittal to the Ohio EPA for their approval.

Section II: The Fiscal Officer of this legislative authority is hereby authorized and directed to mail or otherwise deliver promptly a certified copy of this resolution to the Policy Committee.

Passed this 27 day of April, 2022.

James Layton, Mayor

Deborah Morgan, Fiscal Officer

APPROVED AS TO FORM: Wesley K. Untied, Village Solicitor

Certificate of Recording Officer

I, the undersigned, hereby certify that the foregoing is a true and correct copy of the resolution adopted by the Village of Hebron, Ohio held on the 27th day April, 2022, and that I am duly authorized to execute this certificate.

Deborah Morgan, Fiscal Officer

SOLID WASTE MANAGEMENT PLAN UPDATE SUMMARY 2022

Solid Waste Districts are required by law to:

- Update their management plans every three years,
- Reduce solid waste they send to landfills,
- Increase recycling.

Our updated management plan includes:

- Designation of solid waste facilities where our solid waste may be disposed.
- Assurance that at least 80% of residents have access to recycling opportunities for five common materials and that there is at least one recycling opportunity in each county for commercial entities. We will continue to fund recycling drop-off locations in all four counties that are available for both residents and businesses.
- Education and technical assistance on waste reduction, recycling, and yard waste composting focused on increasing recycling. We will continue to have local education programs in all four counties.
- Industrial waste reduction technical assistance and educational opportunities.
- Continuation of optional programs including health department and sheriff office enforcement of solid waste laws and regulations through 2026 focusing on tire dumping, and litter collection.

These programs are funded using disposal fees which are collected at municipal solid waste landfills on every ton of solid waste they receive. Disposal fees will continue to be \$2.00 per ton for waste generated within the solid waste district, \$4.00 per ton for waste generated outside the solid waste district but within Ohio, and \$2.00 per ton for waste generated outside Ohio. The generation fee will continue to be \$1.25 per ton through 2026, increasing to \$4.00 per ton in 2027. Entities wishing to dispose of waste at facilities other than those designated in the plan will pay a fee of \$2.00 per ton.

Residents and businesses within the District will all pay a total fee of \$3.25 per ton to the District through 2026. For those using out-of-district disposal facilities, additional fees may apply that go to that solid waste district.
